BOOK  
HAMBURG '11**

The PHOTO+ART BOOK HAMBURG is hosted by the Freundeskreis des Hauses der Photographie e.V. and was initiated by art historian Jasmin Seck and cultural manager Oliver Lähndorf. The fair aims to provide artists, photographers, curators, collectors and the interested individuals with an exclusive insight into the national and international factory of artistic publications. It constitutes a stage with a scope that offers plenty of opportunities to exchange ideas on potentials and barriers concerning the diverse artistic print media.
